

# YOU'VE GOT BETTER THINGS TO DO THAN PAY YOUR WATER BILL!

*How would you like to have one less bill each month to worry about?*

*How would you like to have one less check to write and deliver each month?*

*Sound interesting?*

With automated bill pay, NTS Utility Association can make paying your water bill simple and easy. Using this service, you can pay for your water bill automatically through your financial institution without ever writing a check. If you're out of town, no problem. Your water bill gets paid! It's great! Automatic bill pay is the most convenient and easiest way to pay your bills.

NTS Utility Association will continue to send out your monthly statement on the first of the month. Instead of taking the time to mail your check, we will debit your bank account on the 15TH of every month. This will allow you time to research any discrepancies on the bill. It's great, your bill is paid automatically!

To learn more about this service, please ask one of our representatives, or to enroll, simply complete the bottom enrollment card, detach and mail it along with a voided check. We'll make it easy on you and do the rest.
